Wannan labari ne da ya taba bangarori mabanbanta . Yes Of course! It's touch base on our daily lifetime different sides to our personality. It's not just one thing, like "happy" or "sad" or "brave"Romance"or Sex". It's have multiple dimensions to their personality, just like real people. might be brave in some situations and scared in others , Romantic or erotic, it's might be happy one minute and sad the next , it's might have both positive and negative qualities . Don haka ku gyara zaman ku , wannan karon labari ne a tsanaki kuma mai dauke da dogon zango . Kawai abun da nake so ku dauka tamkar gaske abubuwan suke Faruwa🤔😁.
